

LIBRARY NEWS

We are so excited for this year's library program! We hope that your kids read throughout the summer months: and if they did, don't forget to have them turn in their reading logs.

We will be putting out some new books this year and we also still have a lot of good older books to capture children's interest in reading. We try to assist the students in selecting books that are within their reading level and that are age appropriate. However, if there is an author or a subject matter that you do not want your child to read, please list them below and return this paper to the office. We do our best to screen the books for our library but please feel free to come in anytime and preview our selection.

Sincerely,

Tia Wren and Susie VanDerZanden
St. Francis of Assisi School Librarians
